

l'innovazione del classico

Praticità ricca di stile: una gamma per ogni esigenza di spazio, completa di lavelli ad angolo con vasche in linea, all'insegna della più elevata funzionalità.

the innovation of the Classic

Practicality rich of style: a range for any space requirement, complete of corner sinks with in line bowls, characterized by the highest functionality.

Profilo Bordo 8 mm

Profilo deciso e linee marcate, un classico senza tempo: il lavello bello e robusto, come una volta. Essenziale, senza arretrare di un passo in fatto di raffinatezza e funzionalità.

8 mm edge profile

Marked Profile and strong lines, a timeless classic: the nice and sturdy sink, as it once was. Essential, without a step backwards in terms of sophistication and functionality.

Profilo Standard

Il volume c'è, ma quasi non si vede. Il bordo infatti sporge dal piano di lavoro, ma in modo elegantemente impercettibile: il merito va all'inedito sistema di piegatura impiegato da CM.

Standard profile

The volume is there, but you can hardly see. The edge protrudes from the worktop, but in elegantly imperceptible way: the merit goes to the unpublished bending system used by CM.
